**Take advantage of this unique opportunity to learn about each of Connecticut's four state universities (Central, Eastern, Southern, and Western) and the University of Connecticut.**

**These are one-stop shop events to get to know what makes each institution special. You'll have a chance to chat with representatives at each university to ask anything you may be wondering about, such as internship opportunities for your major, what there is to do on campus, and what the food is *really* like!**

**The **February 16** event is geared toward juniors as well as seniors who have not yet applied to a CSU or regional campus of UConn. The **May 3** event is for juniors.**

**We look forward to meeting you soon!**
